

CCC Chuen Yuen College
Result of Nomination of Alumni school manager 2021-2023

There were two nominations received. However, one of the nominations was not accepted since the nominator was not the member of the Alumni Association.

As there is only one effective nomination from Lee Tak Keung, Simon (F.5, 88) within the nomination period (14th June 2021 to 28th June 2021), he will automatically be elected as the Alumni School Manager for 2021- 2023.
